Policy AG.20

Re-Opening of Buildings Posted "Notice to Vacate"

When a building or portion thereof has been posted "Notice to Vacate" by Building Safety or the Fire Department, a full code-compliance inspection shall be performed. All applicable building permits, inspections, and a certificate of occupancy must be obtained before re-opening to the public. Municipal code compliance inspections can be scheduled at the Permit Center located at 4700 Elmore Road.
