

SUPPORT A FREE REMOTE AREA MEDICAL® POP-UP HEALTH CLINIC

WHY?

Alaska — a beautiful state...where many of our neighbors are quietly hurting — unable to access dental, vision, and health care.

Through Mountain View Lions Club Foundation and Remote Area Medical® (both 501c3 nonprofits), we offer free dental, vision, medical, and women's health exams plus follow-up resources for anyone who visits — regardless of age, income, or qualifications.

Clinic Dates

ALASKA STATS

- Transient populations often do not qualify for healthcare assistance.
- Every \$1 you give for proactive healthcare saves \$5 ER/reactive care.
- Alaska — 7th most underinsured state in the nation.
- One-third of Alaskans are prediabetic — most remain unaware until too late.
- 40% of Alaskans avoid seeing a clinician due to cost.

Your tax deductible donation covers venue, medical equipment, and food for the volunteers helping our Anchorage and Fairbanks communities.

COMPASSION For Our Community

WHAT YOU'LL GET FOR YOUR GENEROUS DONATION

\$1,000 - Compassion

We will share your support by including your logo on shirts worn by clinic volunteers and in patient resource pamphlets given to everyone providing and accepting care at both Fairbanks and Anchorage events.

\$2,500 - Empowerment

In addition to the above tier, we will provide local newspapers with a printed shoutout and display your own supplied banner (3'x6') at each clinic facility during the events!

\$5,000+ - Mentor

In addition to both above tiers, we will allow an unattended booth at the events for flyers and handouts accessible to all attendees.
