Subject: Long Lead Electrical Items (WP #4)

Dear Mr. Shearer,

In accordance with our recent conversation regarding the procurement of long electrical lead items, we have prepared the attached quote.

We understand the work to entail providing material as described in the attached quotes will be ordered and the shop drawing/submittal process for such will begin immediately so as to receive long lead items yet this fall.

We propose to provide this work for the lump price of \$245,466.18. Please see the attached quotes and breakdown as to how this estimate was developed. Upon reviewing, please do advise if work beyond that which is scoped is necessary or desired, we would be happy to modify our pricing accordingly.

Please do not hesitate to contact me should you have any questions or concerns regarding this proposal. Thank you for this opportunity to be of service.

Sincerely,

Scott Dunlap
