MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM SPECIAL ORDERS-ITEM 15.A.

No. AM 314-2012

Meeting Date: May 22, 2012

From: Municipal Election Recount Board

Subject: Recertification of the Regular Municipal Election of April 3, 2012

On May 2 the Municipal Clerk received a Recount Application from 10 qualified voters requesting the recount by hand of the votes cast in 15 precincts (215, 220, 235, 240, 340, 445, 550, 610, 625, 660, 670, 675, 830, 840, and 925) in the Regular Municipal Election of April 3, 2012. The Municipal Clerk formed an Election Board in accordance with AMC 28.90.040.

The results of the recount are attached as Exhibit A, showing the original AccuVote count and the results of the hand recount. The election result totals have been adjusted to include the changes resulting from the hand count of these 15 precincts and are attached as Exhibit B.

The Election Board also compared the number of ballots cast in each precinct with the precinct voter registers. The results are attached as Exhibit C. 13 of 15 precincts closely matched, with a few of the precincts off by 1 or 2. In precinct 840 (Service High School), 205 more people signed the voter register than there were ballots cast in the precinct. 197 of those ballots were counted as Questioned Ballots and show in the total votes cast, but do not show in the precinct results. The remaining 8 signatures do not tally with either the precinct register or the Questioned Ballot register. One possible explanation is that these 8 voters left the precinct without voting. Precinct 660 had a similar result – 6 signatures more than corresponding ballots.

The recount resulted in no change in the outcome of the election. We the undersigned hereby adopt these results as our report under AMC 28.90.050 and submit the results to the Assembly for recertification of the April 3, 2012 Regular Municipal Election.
