MEDIA ADVISORY

April 4, 2012

In accordance with AMC 28.80.010, the Election Commission will begin the review of Questioned Ballots tomorrow from 10 am- 5 pm in Room 105 of City Hall. This is the process to determine whether the questioned voter is qualified to vote at the election and whether the questioned ballot has been properly cast under the standards in section 28.80.040. The counting of those ballots that qualify will commence after Canvass, which we expect will occur on April 11.

This process is open to observation by the public in a manner consistent with the orderly conduct of the review and the security of the ballots.
