FOR IMMEDIATE RELEASE

Anchorage voters who have been in one Assembly District since 2002 may find themselves in an adjacent Assembly District in 2013.

In 2012, the Assembly drafted and approved new Assembly District maps, which were approved and finalized at the Regular Assembly Meetings of November 13, 2012 (AO 2012-108) and December 18, 2012 (AO 2012-117).

Please review the Assembly District maps or verify your Assembly District before heading to the polls to vote on Tuesday, April 2, 2013.
