Re: Request for Advisory Opinion 2010-9 CONFIDENTIAL

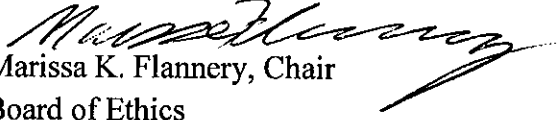

Dear Mr. [REDACTED]:

This is the Board of Ethics' response to your request for advisory opinion regarding a potential conflict of interest in regards to the Municipality's Weatherization program. In issuing this opinion we have relied on the information presented to us in your letter of June 21, 2010. We have not undertaken an independent investigation of such information. If material facts have not been disclosed or have been misrepresented this opinion is without force and effect.

Your request asks whether in your capacity as [REDACTED] you or your family can receive the weatherization services from the Municipality's program.

In your capacity as [REDACTED] there is not a disclosure requirement. However, the Board believes that you should follow the recommendations you made in your letter. You proposed to manage the potential for conflict by having the Internal Audit Director review the paperwork in the case an audit is required while you are receiving services from the program. The Board feels your approach for managing the conflict is sufficient to maintain the integrity of the decision making process.

Respectfully submitted,

  
Marissa K. Flannery, Chair  
Board of Ethics  
Municipality of Anchorage
