Subject: *Ethics Complaint for Potential Violation 2022-04*

Allegation: Violation of AMC 1.15.020 – Unethical Behavior

On June 20, 2022, the Board of Ethics (“the Board”) received Ethics Complaint for Potential Violation 2022-04 (“the Complaint”). The complainant alleged three Anchorage Police Officers violated the Ethics Code when they falsely arrested him, assaulted him, and violated his fourth amendment rights.

After considering the complaint, the Board declined to review it further pursuant to AMC 1.15.160(A)(2). The Board determined there is presently available an adequate remedy for the grievance stated in the Complaint, the Complaint relates to a matter that is outside the jurisdiction of the board or would be better handled in another forum, and the allegations, even if true, fail to constitute a violation of the Ethics Code.
