

MUNICIPALITY OF ANCHORAGE
Board of Ethics

December 14, 2022

Subject: *Ethics Complaint for Potential Violation 2022-13*

The Board of Ethics received Ethics Complaint for Potential Violation 2022-13 from an anonymous complainant. Anchorage Municipal Code (AMC) 1.15.160(A) allows any adult resident of the Municipality to file an ethics complaint. Because the complaint was submitted anonymously, the Board could not determine whether the complainant met the requirement of being an adult resident of the Municipality. Therefore, pursuant to AMC 1.15.160(A)(1), the Board declined to accept the complaint.
