PRESS RELEASE

04/06/2017

Amanda K. Moser, Deputy Clerk–Elections
Barbara A. Jones, Municipal Clerk

FOR IMMEDIATE RELEASE

The Municipal Clerk's Office is grateful to the 650 election workers, the many Municipal employees and others who assist our office for Municipal Elections.

The Clerk's Office has determined the timeline and process for the review and counting the absentee and questioned ballots. The municipal code provides that the review of absentee ballots may commence seven days prior to the election and allows for the counting of these ballots once the polls close. The municipal code also provides that the review of the questioned ballot envelopes begins the day after the election. Election officials have begun the review of absentee ballots and will continue the review of both absentee and questioned ballots on Friday, April 7, 2017 from approximately 8:00 a.m.-5:00 p.m. at the Election Center. The review will continue Monday-Friday, and possibly Saturdays, until completed.

The public is welcome to attend. The Municipal Clerk's office will provide updates to the timeline and processes for the review of ballots.
