### FOR IMMEDIATE RELEASE

The Municipal Clerk’s Office has determined a timeline for processing absentee and questioned ballots for the May 5, 2015 Runoff Election. On Election Night, the Election Commission along with Election Officials will count all Absentee By-Mail ballots received by Election Day. The Election Commission and Election Officials will also count all Absentee In-Person ballots cast between April 22, 2015 and April 28, 2015.

After Election Day, the Election Commission will review Absentee In-Person ballots cast the second week of early voting through Election Day. It is anticipated that those will be counted on Friday following Election Day.

The Election Commission will then begin its review of questioned ballots. Once the Election Commission has made its final determination and held the Election Canvass, no later than 10 days after the election, the questioned ballots that were determined to be countable will be counted. In addition the remaining absentee ballots will be counted.
