☒ **Transfer of Ownership Application** ☐ **Transfer of Controlling Interest**

AMCO has received a complete application for the above listed license within your jurisdiction. This is the notice required under 3 AAC 306.025(d)(2) or 3 AAC 306.045(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the transfer, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

3 AAC 306.010, 3 AAC 306.080, and 3 AAC 306.250 provide that the board will deny an application for a marijuana establishment license if the board finds that the license is prohibited under AS 17.38 as a

result of an ordinance or election conducted under AS 17.38 and 3 AAC 306.200, or when a local government protests an application on the grounds that the proposed licensed premises are located in a place within the local government where a local zoning ordinance prohibits the marijuana establishment, unless the local government has approved a variance from the local ordinance.

This application was in front of the Marijuana Control Board at our **April 2-3, 2020** meeting, where it was deemed to be complete and approved with delegation.

Sincerely,

Glen Klinkhart, Interim Director

Re: R.C. Tinderbox, LLC (License No. 10299)
Response to NOV and email from Director McConnell dated September 4, 2019
AMCO Case Number AM 19-1400 ("Notice")

Dear Investigator:

R.C. Tinderbox, LLC (RCT) is writing in response to the Notice received from the Alcohol & Marijuana Control Office ("AMCO"), dated September 3, 2019. Thank for bringing this important matter to our attention. RCT takes regulatory compliance seriously and has taken immediate action to prevent a similar violation from occurring again.

The Notice states in part, "on 8/29/19 [RCT] created a package that exceeds 5 pounds ... in violation of 3 AAC 306.470." Then on September 4, 2019, Director McConnell emailed RCT identifying an additional violation stemming from the 8/29/19 transfer of the package exceeding 5 pounds, as the transfer was for "Tinderbox Cookies RM2 2.7.19 failed harvest to Good Titrations without approval [in violation of 3 AAC 306.660(b)]".

Violation of 3 AAC 306.470(a)(2)(A)
This violation is inexcusable; we sincerely apologize for our oversight.

While there has been a vote to increase the allowable weight limit of transferred packages, we understand that 3 AAC 306.470 has not changed. As background, the violation occurred by a new employee with significant cannabis industry experience who regularly accepted transfers of multiple packages cumulatively exceeding 5 pounds in their prior role. We have used this violation as a teaching opportunity by reviewing 3 AAC 306.470 and proper transfer procedures with the employee who created the manifest, as well as with our other staff members responsible for creating manifests. Furthermore, this violation would have been prevented if the manifest would have been reviewed by a senior manager prior to its submittal. Accordingly, we have implemented a new standard policy that requires review and approval for all manifests by a senior member of our staff. By requiring review and approval of all manifests by a senior manager, we will ensure regulatory compliance and create a regular opportunity for senior staff members to mentor and teach junior staff.

Violation of 3 AAC 306.660(b)
This violation is inexcusable; we sincerely apologize for our oversight.

As stated in our September 5, 2019 email reply to Criminal Justice Tech Davies, this violation came as a shock to us. We had previously requested Director approval for the transfer of Tinderbox Cookies RM2 2.7.19 failed harvest and we were patiently awaiting direction from the Director. However, based on our internal investigation, there was a misunderstanding of the current status of our request for Director approval by the employee charged with manifesting and transferring product to a licensed manufacturer.

This error was not intentional nor was it made in bad faith. As stated above, a new standard policy that requires review and approval for all manifests by a senior manager has now been implemented. This type of review and oversight would have identified the misunderstanding and prevented the subsequent violation in advance. We appreciate the Director reaching out to us be email to provide AMCO guidance on next-steps for receiving "after-the-fact" approval for this transfer and for the removal of the administrative hold on the product.

RCT takes regulatory compliance very seriously. While inexcusable, neither of the above violations were intentional or made in bad faith. As discussed above, RCT has taken substantial steps by discussing these violations with its staff and by implementing new policies in its facilities aimed at preventing these types of violations in the future. Accordingly, notwithstanding the forthcoming NOV for our Violation of 3 AAC 306.660(b) referenced in the Director's email, we respectfully request that AMCO take no further action in these matters.

Should you have any further questions about these violations are any related matters, please do not hesitate to reach out.

Respectfully,

R.C. Tinderbox, LLC

Chris Euscher, Managing Member

Re: R.C. Tinderbox, LLC (License No. 10299)
Response to NOV and email from Director McConnell dated September 4, 2019
AMCO Case Number AM 19-1400 ("Notice")

Dear Investigator:

R.C. Tinderbox, LLC (RCT) is writing in response to the Notice received from the Alcohol & Marijuana Control Office ("AMCO"), dated September 3, 2019. Thank for bringing this important matter to our attention. RCT takes regulatory compliance seriously and has taken immediate action to prevent a similar violation from occurring again.

The Notice states in part, "on 8/29/19 [RCT] created a package that exceeds 5 pounds ... in violation of 3 AAC 306.470." Then on September 4, 2019, Director McConnell emailed RCT identifying an additional violation stemming from the 8/29/19 transfer of the package exceeding 5 pounds, as the transfer was for "Tinderbox Cookies RM2 2.7.19 failed harvest to Good Titrations without approval [in violation of 3 AAC 306.660(b)]".

Violation of 3 AAC 306.470(a)(2)(A)
This violation is inexcusable; we sincerely apologize for our oversight.

While there has been a vote to increase the allowable weight limit of transferred packages, we understand that 3 AAC 306.470 has not changed. As background, the violation occurred by a new employee with significant cannabis industry experience who regularly accepted transfers of multiple packages cumulatively exceeding 5 pounds in their prior role. We have used this violation as a teaching opportunity by reviewing 3 AAC 306.470 and proper transfer procedures with the employee who created the manifest, as well as with our other staff members responsible for creating manifests. Furthermore, this violation would have been prevented if the manifest would have been reviewed by a senior manager prior to its submittal. Accordingly, we have implemented a new standard policy that requires review and approval for all manifests by a senior member of our staff. By requiring review and approval of all manifests by a senior manager, we will ensure regulatory compliance and create a regular opportunity for senior staff members to mentor and teach junior staff.

Violation of 3 AAC 306.660(b)
This violation is inexcusable; we sincerely apologize for our oversight.

As stated in our September 5, 2019 email reply to Criminal Justice Tech Davies, this violation came as a shock to us. We had previously requested Director approval for the transfer of Tinderbox Cookies RM2 2.7.19 failed harvest and we were patiently awaiting direction from the Director. However, based on our internal investigation, there was a misunderstanding of the current status of our request for Director approval by the employee charged with manifesting and transferring product to a licensed manufacturer.

This error was not intentional nor was it made in bad faith. As stated above, a new standard policy that requires review and approval for all manifests by a senior manager has now been implemented. This type of review and oversight would have identified the misunderstanding and prevented the subsequent violation in advance. We appreciate the Director reaching out to us be email to provide AMCO guidance on next-steps for receiving "after-the-fact" approval for this transfer and for the removal of the administrative hold on the product.

RCT takes regulatory compliance very seriously. While inexcusable, neither of the above violations were intentional or made in bad faith. As discussed above, RCT has taken substantial steps by discussing these violations with its staff and by implementing new policies in its facilities aimed at preventing these types of violations in the future. Accordingly, notwithstanding the forthcoming NOV for our Violation of 3 AAC 306.660(b) referenced in the Director's email, we respectfully request that AMCO take no further action in these matters.

Should you have any further questions about these violations are any related matters, please do not hesitate to reach out.

Respectfully,

R.C. Tinderbox, LLC

R.C. Tinderbox, LLC (License #10299)
Response to Notice of Violation
AMCO Case # AM191569

Dear AMCO Enforcement:

R.C. Tinderbox, LLC ("RCT") is writing in response to the Notice of Violation (AMCO Case # AM191569) ("NOV") received from the Alcohol & Marijuana Control Office by email on October 23, 2019. (Notably, the NOV was dated October 8, 2019). We thank you for your efforts and for bringing this matter to our attention. RCT takes regulatory compliance seriously and takes pride in being a good neighbor.

The NOV states in part that "On Tuesday, October 8th at approximately 3:00 pm, The State of Alaska Alcohol & Marijuana Control Enforcement did receive a marijuana odor complaint in the King Street and Schoon St. area in Anchorage, AK. the complaint did state the odor of marijuana was very strong and easily detected . . . I was able to detect a strong odor marijuana coming from the facility where R.C. Tinderbox is located."

While no odor was detected by RCT on October 23, 2019, upon receipt of the NOV, RCT took immediate action to address the mechanical issues which may have contributed to increased marijuana odor on October 8, 2019. RCT emphatically took action by replacing all of the 100 percent carbon filters throughout the facility. After we made these changes to our mechanical infrastructure, we were unable to detect any order at the lot line. On October 24, we again checked for odor around the lot line of the facility to confirm that marijuana odor was undetectable.

RCT encourages AMCO Enforcement to re-inspect the premises and to share their findings with the company. If AMCO finds evidence of marijuana odor at the lot line, we request that you let RCT know immediately so we can reassess the situation and take additional corrective measures. However, RCT is confident that marijuana odor is no longer an issue, and in that case requests that no further action be taken with respect to this NOV.

Thank you for your time and attention. Please do not hesitate to contact me directly if you have any further questions or if you need additional information.

Sincerely,

R.C. Tinderbox, LLC
