G. A motion to reconsider a vote may be made only by a member who voted with the prevailing side and seconded by any other member of the assembly. The motion must be made and seconded during the meeting at which the action to be reconsidered was taken, or by written notification to the municipal clerk within 24 hours of the adjournment of the meeting by the moving party and second.

Any member of the assembly may roll up a motion to reconsider which has been duly made and seconded at any time during the meeting at which made, or at the next regular meeting of the assembly: a motion to reconsider and enter on minutes may be called up only at the next regular meeting of the assembly.

A proper motion to reconsider, once seconded, suspends implementation and effect of the decision for which reconsideration is sought, until the next regular meeting or until the assembly takes action on that motion, whichever occurs first.
