- Firewise Plants 28
- Firewise Communities 30

Acknowledgments

Firewise Alaska is a reference guide developed by the Alaska Wildland Fire Coordinating Group. The 2009 revision was coordinated by Sue Rodman, M.S., of the Anchorage Fire Department. Special thanks to the AWFCG Wildland Fire Prevention & Education Committee for their review and edits. In memoriam, Robert Wheeler, Ph.D., of the University of Alaska Fairbanks Cooperative Extension Service initiated this revision along with providing valuable edits and suggestions.

Graphic Designers: Carolina Pacheco Vargas and John Ray
Printed by A.T. Publishing and Printing, Anchorage, Alaska 2009.
As is already printed at the cost of \$0.00 per copy.
