\$10.14	\$12.07	\$12.22	\$11.69	\$12.69	\$25.38	\$12.00	\$ 3.60	\$ 6.40	\$7.16	\$5.52

- Amounts are estimates based on fire department investigation
- 2017 amount reflects Royal Suites Lodge fire.
- Reduction in property loss in 2020 may be attributed to a reduction in the number and severity of fires to people spending more time at home. For example, a reduction in unattended cooking fires because people are more likely to have the time to pay attention to their cooking.

Second quarter of 2020: Dispatch and response times may have increased for two reasons:

### PVR Measure WC: Managing Workers' Compensation Claims

Reducing job-related injuries is a priority for the Administration by ensuring safe work conditions and safe practices. By instilling safe work practices, we ensure not only the safety of our employees but reduce the potential for injuries and property damage to the public. The Municipality is self-insured and every injury poses a financial burden on the public and the injured worker's family. It just makes good sense to WORK SAFE.

Results are tracked by monitoring monthly reports issued by the Risk Management Division.
