

2019-2022 TRANSPORTATION IMPROVEMENT PROGRAM NOMINATIONS

Nominations due by 5p Friday, March 2, 2018

Anchorage Metropolitan Area Transportation Solutions (AMATS) is soliciting capital project nominations within the AMATS boundary for the 2019-2022 Transportation Improvement Program (TIP). All 2019-22 TIP nominations are due by **5p Friday, March 2, 2018**.

The TIP is the region's short range project plan for transportation improvements. It outlines the investment program of capital improvements to the metropolitan transportation system. The TIP is the means of implementing the goals and objectives of the Metropolitan Transportation Plan. Additionally, the TIP process is used to satisfy the public participation process of the Program of Projects (POP) that is required in U.S.C. Section 5307.

Please note, for those nominating multiple projects it is important to prioritize them; AMATS recommends the following steps:

1. Review and discuss the merits of the existing projects.
2. Suggest additional projects or deletions, if needed.
3. Develop an overall priority ranking for all projects you submit.
4. Submit your nomination(s) to AMATS so they can be ranked and scored using the approved ranking criteria.
