

Alaska Department of Transportation and Public Facilities

## 2024 Construction Project Overview

**Project Name:** Anchorage Airport Old Airfield Maintenance Gate

**Project Number:** CSAPT01150

**Project Description:** Through this project we will install a vertical pivot gate to secure the maintenance and operations yard at the Old Airport Maintenance complex and install a card reader at the North Terminal Employee exit.

The closure of the DOT&PF warehouse presents an opportunity to secure this facility as public access is no longer required.
