

2024 Construction Project Overview

Project Name: Anchorage Airport Taxiway Z West Improvements

Project Number: CFAPT00465

Project Description: Work on this project includes providing upgrades to accommodate larger Airport Design Group 6 and Taxiway Design Group 6 aircraft. We will widen taxiways Z and E, construct a new entrance to taxiway R, and rehabilitate taxilanes R and E. Additional work includes rehabilitating or relocating existing private taxilane approaches, removing the taxiway F entrance taxiway, relocating the existing service road, constructing drainage improvements, replacing and installing new taxiway lighting and signs, relocating or adjusting utilities, and relocating or adjusting FAA navigational aids as needed.
