Notes: The TIP is the region's short range project plan for transportation improvements. It outlines the investment program of capital improvements to the metropolitan transportation system. The TIP is the means of implementing the goals and objectives of the Metropolitan Transportation Plan. Additionally, the TIP process is used to satisfy the public participation process of the Program of Projects (POP) that is required in U.S.C. Section 5307. Please note, for those nominating multiple projects it is important to prioritize them; AMATS recommends the following steps:

1. Review and discuss the merits of the existing projects.
2. Suggest additional projects or deletions, if needed.
3. Develop an overall priority ranking for all projects you submit.
4. Submit your nomination(s) to AMATS so they can be ranked and scored using the approved ranking criteria.

AMATS does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in access to, or operation of its programs, services, activities or in its hiring or employment practices. ADA and Title VI inquiries should be forwarded to Craig Lyon, lyonch@muni.org or 907.343.7996. AMATS Policy Committee and TAC meetings are audio recorded. The Municipality of Anchorage's Transportation Improvement Program (TIP) process is used to satisfy the public participation process of the Program of Projects (POP) that is required in U.S.C. Section 5307.
