

AMATS P&P No. 7

Sub-Committees

- A. The AMATS Sub-Committees (Bicycle Pedestrian Advisory Committee, Community Advisory Committee, and Freight Advisory Committee) shall use the following **decision tree** for communications from the sub-committee without needing Policy Committee Approval.

- B. Guidelines for communications:
 - a. AMATS staff shall submit all formal communications on behalf of the committees.
 - b. Communications from sub-committees will not commit AMATS to funding decisions, policy decisions, and will not include defamatory language.
 - c. If staff are unsure about communication or if any questions arise, staff will defer to bringing the communication through the Technical Advisory Committee and Policy Committee for review and a decision.
