

Municipality of Anchorage

MEMORANDUM

#14925
Municipal Manager's Office
SEP 23 2015
RECEIVED

DATE: September 23, 2015
TO: Michael K. Abbott, Municipal Manager
FROM: *PAF* Paul F. Alcantar, Director, Solid Waste Services
SUBJECT: Public Notice of Change in Procedure

Solid Waste Services is changing our procedure to verify residency when customers access our facilities at the Anchorage Regional Landfill, Central Transfer Station and Girdwood Transfer Station.

AMC 26.80.050A.7 states that Solid Waste Services will only accept waste generated in the Municipality of Anchorage and that all waste from outside those boundaries will be charged at double the current rate for disposal. This will allow SWS to charge those customers appropriately and according to municipal code.

Upon your approval, a Public Notice will be handed out at the various facilities, posted at each location. and printed in the Alaska Dispatch News.
