**SUGGESTIONS FOR ADDITIONS/DELETIONS TO
CAPITAL PROJECTS COMMUNITY COUNCIL SURVEY**

COMMUNITY COUNCIL: _____ OLD SEWARD/OCEANVIEW C.C. _____ Date: JUNE 8, 2006

Name of Project	A=Add; D=Delete	Priority Rank (Combined with Survey projects)	Description of Addition/Reason for Deletion
TIMBERLANE DRIVE DRAINAGE	A	7	This road upgrade project was completed about 2 years ago, and its become apparent that the gutter drains don't work in a moderate to heavy rainfall or during break-up. The water is coming downhill so fast it goes over the gutter drains. It is suggested that the gutter drains be replaced with <i>Catch Basins</i> .
TURN SIGNAL AT KLATT & OLD SEWARD	A	2	The turning traffic on Klatt (turning left onto Old Seward, either east or west bound) has a turning lane, but no turning light on the signal light. Although we expect this will be incorporated into the Old Seward Road Upgrade project, we feel for safety reasons this should be attended to now.
Hamilton Park	D		Nothing needs to be done at this Park
Johns Road Park Acquisition at Coast	D		The land has a house on it now
Johns Road Park addition	D		Same project as above. It has a house on it now.

Oceanview Bluff Park	D		This Park is below the bluff in the Coastal Wildlife Refuge area. Nothing needs to be done with it.
Huffman Road Upgrade	D		This project is far enough along in the planning, design and public input process that our input is not necessary
Rabbit Creek Rd/Southbound Signal	D		We feel this is not necessary
Seward Highway Lane Expansion	D		We feel this is not necessary at this time, and would be a project of greater scope and planning than what should be on our 'wish list'. Furthermore, it appears that the best choice would be to expand into Potter Marsh, although this is not within our CC boundary area, we would not support expanding into the Marsh.
Furrow Creek Improvements	D		This study is not relevant to our membership
Oceanview Dr. Storm Drain	D		We don't know why this was included on this list. It does not appear to be necessary.

INSTRUCTIONS: Review the *Capital Projects Planned: 2007-2011* attached. List above any suggested **additions or deletions** (*corrections or changes* should be noted on the survey form). Include the completed **ADDITIONS/DELETIONS** form when returning your response. Direct inquiries to Bruce Holmes, Capital Budget Analyst, at 343-4479.
