ABBOTT LOOP COMMUNITY PARK

Problem: This state funding request would be used to implement the remaining elements of the Community Park Master Plan Vision including key safety and security items - parking lot lighting and the sledding hill.

Scope: This state funding request would be used to implement the remaining elements of the Community Park Master Plan Vision. The plan elements include a paved Little League circulation area, playground, sledding hill, security lighting and concession building design.

Status: Abbott Loop Community Park is one of the newest parks in Anchorage and provides for year round family and community recreation as well as linkage to the Far North Bicentennial park trail system. Summer activities include little league baseball, soccer, horseback riding, picnicking, walking, jogging and biking. Winter activities focus on Nordic skiing as the park is a major access to the larger groomed trail network. □□A large amount of construction work was completed in 2006-2007 including the paved parking lot, irrigation upgrades to the league fields, dugouts, utility extensions to provide future lighting, a picnic pavilion and pedestrian pathways. Project funding came from a variety of sources demonstrating wide support for the project- the Anchorage Park Foundation, Simonian Little League, Municipality Park Bonds and a State Grant.
