PROJECT MANAGEMENT & ENGINEERING

Toilsome Hill Dr/Glen Alps Rd /Canyon Rd Improvements

Problem: All three roads are in need of upgrade.

Scope: Specific improvements will be identified in the design study phase.

Status: The state provided a \$2.5 million grant in 2006 for these improvements. A portion is being used by DOT for parking lot improvements. Public involvement is expected to begin in the summer of 2008.

Rank # =Numerical priority ranking of all projects; ("1" equals highest priority)
