PRIORITY #					Additional
			Estimated	Funds on	Funds
			Cost	Hand	Required
		Section 36	\$500,000	\$0	\$500,000
	Scope:	Funds will be used to implement projects identified in the Section 36 Master Plan, including trail development	, access imp	rovements	and trailhead
		amenities.			
	Need:	Section 36 is a 600+ acre parcel of land located in the Southeast Park District which has the largest concentration	on of natural u	se areas a	nd the lowest
		number of municipal parks and developed outdoor recreation areas. Expected popluation growth in the next 10 - 1	5 years on the	hillside wil	I increase the
		need for outdoor recreation services in this area.			
		Section 36 is currently held in the Municipal Heritage Land Bank and existing municipal bond money is being used		master pla	in for the 600
		acre park. Section 36 will be transferred to the Parks and Recreation Department when the master plan is complete.
