**Mid-Hillside Community Council Survey Input in regards to Capital Improvement
Projects as requested**

by the Municipality of Anchorage, Office of Management and Budget

Our community council membership input was limited and, as a result, I will list the only the top five priorities as determined by our community council:

1. Birch Rd Safety Improvements-Huffman Rd to Naknek Ln
2. Ruth Arcand Park
3. Hillside Drainage Improvements
- 4/5. (Tie) Hillside LRSA's Road and Drainage System Rehab and Elmore Rd Extension-Abbott Rd to O'Malley Rd
