		Seward Highway to Glenn Highway Connection (H2H) - Bragaw St to Tudor Rd	\$765,500,000	\$21,155,000	\$744,345,000
	Scope:	Connect the Seward Highway to the Glenn Highway with a controlled access freeway. Project may include an 8	lane highway s	egment betwee	n Bragaw Street
		and Tudor Road. More details will be developed through the design and public involvement process.			
	Need:	The Highway to Highway improvements are considered necessary to address capacity, demand, safety, and sy	stem linkage to	major destina	tions and freight
		mobility on the existing Seward Highway and Glenn Highway NHS routes. These NHS routes provide access t	o major employ	ment centers in	n downtown and
		midtown Anchorage and major intermodal port, rail, and airport facilities. The Seward and Glenn Highway NH			
		center of Anchorage, which transition to urban arterial streets with connecting roads, stop lights, and commerc	cial and residen	itial access. Th	he urban arterial
		segments of the routes are characterized by high travel demand, congestion, and resulting safety issues caused l	y traffic levels t	hat have excee	ded the capacity
		of the existing arterial street network.			
	Status:	Funding for this project is programmed by the state. Environmental engineering is underway and alternative rou	tes are being e	xplored and mo	oved through the
		public process. The project is currently on hold.
