		Hillside LRSA's Road and Drainage System Rehab	\$0	\$0	\$0				
	Scope:	This project will reconstruct road and drainage facilities within Hillside Area Limited Road Service Areas (LRSAs).	Specific proje	cts will be iden	tified by the local				
	road boards.								
	Need:	Need: Many local roads remain dirt or gravel streets with high maintenance costs. In addition, these roads are a source of dust which reduces air quality for the							
		community. This project is a priority for the hillside area community councils.							
	Status: No work has begun, but state grant funding is proposed annually in the approved CIP to supplement local mill levies.
