

MUNICIPALITY OF ANCHORAGE – CIP - 1
DEPARTMENT CAPITAL NEEDS ANALYSIS

Department	Police
Program Category	Anchorage Police

POLICY GOALS

- To improve the delivery of emergency public safety service by providing computer assisted dispatch and improved radio communications reliability, security and effectiveness to meet current and future needs through 1992.
- To improve the safety, reliability and efficiency of the Public Safety Building electrical and mechanical systems.
- To expand the Anchorage Police Department Training Facility to meet established Departmental training needs for the development of effective, efficient police officers; to meet State law requirements for academy, course and officer certification; to meet recommendations from the community; and to plan for cost effective and efficient future expansion as needed.
- To provide a police station facility to adequately meet the operational requirements of the Anchorage Police Department.

SIX-YEAR DEPARTMENT GOALS AND STRATEGY

- Increase the speed, accuracy and information available in the dispatch process thus reducing patrol response time and increasing officer safety by maintaining location and timing information of controlled units.
- Maintain the safety, integrity and reliability of the Public Safety Building electrical and mechanical systems at an acceptable level in compliance with recognized standards.
- Improve the quality of policing through relevant and effective training.
- Increase staff effectiveness by providing a flexible and self-sustaining training facility free from distractions.
- Improve productivity and efficiency through maximum utilization of available electronic and scientific technological resources.
- Improve operational efficiency by providing space commensurate with program requirements.
- Decrease energy consumption through architectural design and energy operating philosophies.

PRIORITY CRITERIA

- Mayor's policy guidelines
- PRC Public Management Services 1976 Management and Operational Study of the Anchorage Police Department.
- Program growth needs related to continued police service expansion.
- Long range operating and maintenance cost impact.
- Productivity improvement.
- Energy utilization efficiency.
- Legal Requirements
- Long-Range Operating Cost impact.
- Public Input
