Development Services Department

Our Mission: Guide safe construction and responsible development for the community

Core Services

- Guide and enforce the land use, development, and construction codes to improve and maintain quality of life in the Municipality of Anchorage.
- Maintain the archives of Anchorage's development records to provide access to official documentation

Direct Services

Direct Services Provided by Divisions

See: Right-of-way Division See: Building Safety Division See: Administration Division

Focus Areas

- Provide consistent, responsive, accurate customer service
- Maintain the Planning, Development, and Public Works network and vertical applications

We will measure our success by:

Percent of customers rating the service received as satisfactory or higher

Q1-2002	Q2-2002	Q3-2002	Q4-2002
NA	95%	94%	

Note: The survey is conducted through a point of service form filled out on a voluntary basis

 COMMUNITY LEVEL INDICATOR WE MONITOR: Value of construction by residential and commercial building permits issued

commercial banding permits issued

^{*} Travel budgeted by this department within the Other Services category is \$3,000

2003 Budget Highlights

For 2003, two organizational changes are made to realign program responsibilities within the overall Office of Planning, Development and Public Works:

- The Technical Services Division is transferred to the Office of Planning, Development and Public Works from Development Services, resulting in the transfer of \$1.1 million and 13 positions;
- The Land Use Enforcement and Plat Review sections are transferred to the Planning Department from Development Services, resulting in the transfer of \$614,960 and ten positions.
- One Land Use Enforcement position and \$55,280 is transferred to the Office of Planning, Development and Public Works.

Under the approved level of investment, the department will continue or improve delivery of the following results:

- 95% of building permit customers served in under 30 minutes;
- 98% of permits reviewed in four working days or less
- 99% of building inspections performed on the same day agreed upon with the customer
- 95% of rights-of-way inspections conducted within 48 hours upon receipt of request
- 85% of illegal use complaints investigated within 48 hours

Administration Division

Development Services Department

Our Purpose: To manage and support the department so it can effectively serve its customers

Core Services Supported

• Guide and enforce the land use, development, and construction codes to improve and maintain quality of life in the Municipality of Anchorage

Direct Services

- Provide centralized development and processing of financial, contractual, personnel, and payroll functions to maximize efficiency of department-wide requirements
- Coordinate and consolidate user needs to maximize technology options

Focus Areas

- Accomplish the department's mission with available resources
- Reduce redundant data entry and processing requirements in the land use and development process

We will measure our success by:

Percent of customers satisfied with Administration services

Q1-2002	Q2-2002	Q3-2002	Q4-2002
NA	97%	97%	

Percent of pay periods processed without errors made by the Administration Division

Q1-2002	Q2-2002	Q3-2002	Q4-2002
NA	Data in Q3	100%

Building Safety Division

Development Services Department

Our Purpose: Assure safe construction and development

Core Services Supported

- Guide and enforce the land use, development, and construction codes to improve and maintain quality of life in the Municipality of Anchorage
- Maintain the archives of Anchorage's development records to provide access to official documentation

Direct Services

- Manage the permit process in a manner to facilitate timely area-wide development
- Verify that plans meet minimum code requirements through plan reviews to ensure safe construction and development
- Verify construction complies with plans and adopted codes through inspection to ensure safe construction and development
- Manage comprehensive historical data to allow community access to past construction and development documents

Focus Areas

- Provide an efficient permit system to process applications in an accurate and timely fashion
- Perform first time residential plan reviews in a technically accurate and consistent manner in 4 business days or less
- Perform inspections in a technically accurate, consistent and timely manner

We will measure our success by:

Percent of residential building permit customers served in 30 minutes or less

-	Q1-2002	Q2-2002	Q3-2002	Q4-2002
Percent	98%	95%	82%	•

Mayor | Assembly | Departments | How Do I... | Visiting Anchorage

You are here: Home > Results > Measures > Development Services > Right-of-way

Right-of-way Division

Development Services Department

Our Purpose: To improve the useful life and safety of the public rights-of-way of Anchorage

Core Services Supported

• Guide and enforce the land use, development, and construction codes to improve and maintain quality of life in the Municipality of Anchorage.

Direct Services

- Inspection of construction projects within the rights-of-way of Municipal streets and roads to insure construction is to Municipality of Anchorage Standard Specifications (M.A.S.S.) standards
- Timely plan review and issuance of right-of-way permits that facilitate construction in the rights-of-way and focus on customer service
- Investigation and resolution of complaints of illegal uses of the Municipal rights-of-way to ensure safe conditions and increase public awareness of proper use of the rights-of-way areas

Focus Areas

- Conduct on-site inspections of permitted construction within 48 hours after receipt of request to ensure installation is compliant with Municipality of Anchorage Standards and Specifications (MASS)
- Inspect and take appropriate action on complaints of illegal uses within the rights-of-way within 48 hours of receipt to prevent hazardous conditions

We will measure our success by:
