SUBJECT: A RESOLUTION OF THE MUNICIPALITY OF ANCHORAGE REVISING AND APPROPRIATING FUNDS FOR THE 2017 GENERAL GOVERNMENT OPERATING BUDGET FOR THE MUNICIPALITY OF ANCHORAGE

The attached resolution reflects the Administration's proposed revisions to the 2017 General Government Operating Budget. The proposed package updates revenues, fine-tunes costs, and funds items that were not anticipated at the time the budget was approved last November.

12 When compared to the 2017 budget approved in November 2016, the revised operating budget 13 increases by \$5.0 million. The changes include adjustments to debt service; voter approved bond operating and maintenance (O&M) costs; increases to Police and Fire departments' 14 15 employee medical contributions and Police & Fire Retiree Medical contributions to align to actuals; and supports the following key efforts: Information Technology service improvements, 16 17 storm water utility implementation plan, and Police litigation. A detailed listing of changes is 18 attached.

19

20 Successful management in 2016 of most department budgets resulted in savings in the five 21 major funds (property taxes) at year-end, this, offset by lower-than expected revenue collections, 22 and higher calculated base requires a tax collection of \$4.2 million to maintain the fund balance 23 reserves.

24

36

38

39

25 **Revenue Adjustments**

26 The revenue projections include updated assumptions that resulted in notable changes for State 27 of Alaska Trial Court Fines, Municipal Utility and Enterprise Service Assessments (MUSA / 28 MESA), property sale proceeds, and Build America Bonds Subsidy (BABS), with the overall non-29 property tax revenues remaining relatively flat.

30 31 Total Property Tax Requirement

32 Combined with the decrease in assessed values, the average mill rate increases .62 mills from 33 7.89 mills in 2016 to 8.51 mills in 2017 resulting in an increase of \$62 per \$100,000 home. 34 Approximately 37% of the increase is related to one-time recovery of settlement payments. 35

S Version Change

The S Version includes addition of budget for the new Turnagain Arm Police Service Area (Fund 152) that was created per voter approval via special election on April 4, 2017.
