## ASSEMBLY MEMORANDUM

**AM No. 241-2018**

**Meeting Date:** April 10, 2018

**FROM: MAYOR**

**SUBJECT: A RESOLUTION OF THE MUNICIPALITY OF ANCHORAGE  
REVISING AND APPROPRIATING FUNDS FOR THE 2018  
GENERAL GOVERNMENT OPERATING BUDGET FOR THE  
MUNICIPALITY OF ANCHORAGE**

The attached resolution reflects the Administration's proposed revisions to the 2018 General Government Operating Budget. The proposed package updates revenues, fine-tunes costs, and funds items that were not anticipated at the time the budget was approved last November.

This proposal decreases the 2018 operating budget by \$4.7 million. Adjustments include changes to debt service; voter approved bond operating and maintenance (O&M) costs; settlements; Information Technology enterprise licenses; realignment of the fleet rates and adjustments as requested by Service Areas; and supports the following key efforts: vote-by-mail, ASD Cost Factor Study, Payroll support, Police litigation, and Seward Highway Patrol. Project Management & Engineering (PM&E) staff will now be charging directly to capital projects due to new processes within SAP. This transfer of budget and positions effectively reduces the total amount of the operating budget and overall position count, but does not result in a reduction of PM&E positions. A detailed listing of changes is attached.

2017 financials are not closed at this time, therefore the final amount of savings that could occur at year-end are unknown. The proposed adjustments will be supported within the tax cap.

### Revenue Adjustments

The revenue projections include updated assumptions that resulted in notable changes for Ambulance Fees, State of Alaska Trial Court Fines, Tobacco Tax, Motor Vehicle Registration Tax, Municipal Utility and Enterprise Service Assessments (MUSA / MESA), and Build America Bonds Subsidy (BABS), with the overall non-property tax revenues remaining relatively flat.

### Total Property Tax Requirement

As a result of the decrease in assessed values, required settlements, reduced non-property tax contributions and voter approved bond debt, the average mill rate increases 0.32 mills from 8.51 mills in 2017 to 8.83 mills in 2018 resulting in an increase of \$32 per \$100,000 of assessed value before exemptions.

To alleviate the burden on residential property tax payers, the Administration and Assembly, with voter approval, increased the residential exemption to \$50,000 resulting in a \$273 reduction in property taxes for the owner of a \$350,000 home.

### **THE ADMINISTRATION RECOMMENDS APPROVAL.**
