Accomplishment Goal Supported

Provide community education and public outreach programs to prepare citizens for emergencies and disasters.

Definition

This measure reports the number and type of emergency preparedness community outreach events conducted monthly.

Data Collection Method

Community Emergency Preparedness Training Measure. This measure consists of a running monthly tally of emergency preparedness presentations conducted quarterly. The goal is to increase the overall Emergency Preparedness level of Anchorage Citizens annually through community outreach and education programs designed specifically for a requesting organization or the general public.

Frequency

The measure will be reported by the close of business the first work day following the training event.

Measured By

Public Information & Community Outreach Coordinator

Reporting

The Public Information & Community Outreach Coordinator will prepare a report in a table format that displays the date, time, organization trained, type of training, and the number trained.

Used By

The director will use the report to monitor and gauge the progress of community outreach training. The report will be presented to the Municipal Manager quarterly and be available via the Municipal website.
