Mobile Home Tiedowns

IRC AE604 requires that new mobile home installations be secured by adequate tiedowns.

Date: _____

TO WHOM IT MAY CONCERN;

I, _____, of space or
lot _____, in Subdivision, or mobile
home park, _____ will install the
required number of tiedowns on my mobile home, as soon as weather and ground conditions permit.

I will call Building Safety at 343-8300 for an inspection after they are installed.
