IMPORTANT TAX INFORMATION

Business License:

Dear Municipal Business Owner:

The State of Alaska business license directory shows that you obtained or renewed a business license this past year. Pursuant to Anchorage Municipal Code 12.10.040, every person who owns or controls business property located within the Municipality of Anchorage on January 1st of each year must file a Business Property Assessment Return to report that property. On October 26, 2004 the Anchorage Assembly approved AO No. 2004-140, amending Anchorage Municipal Code sections 12.10.010 and 12.10.020 to provide a tax exemption of \$20,000 of assessed value for business personal property.

All business must complete the enclosed Business Property Assessment Return. The \$20,000 exemption will be computed and deducted from the assessed value during the tax billing process.

If you are a non-profit organization interested in obtaining an exemption status with the Municipality Of Anchorage please see www.muni.org/pa for instructions on filing for an exemption.

If you have filed a return under another name or obtained a license but did not start your business, please fill out the enclosed Discovery Questionnaire.

Completed returns or questionnaires are due by April 20th of each year. For more information on the business property tax or the business property exemption, visit www.muni.org/finance/paperpersonal.cfm, or contact Property Appraisal at (907)343-6770 or by e-mail at wwbpp@ci.anchorage.ak.us.
