Mushing Facility: means a person or facility, including a dwelling unit, residence, or business premise that owns, houses, possesses, or acts as custodian of four or more dogs over the age of four months, that have been trained to be harnessed and pull sleds, carts, vehicles with humans and/or cargo for the sport of mushing whether for recreation, competition or remuneration.

- **4-10 animals: \$150.00 bi-annually**
- **11+ animals: \$200.00 bi-annually**

All Special Purpose Licensing fees are nonrefundable and must be paid at the time the application is submitted. Also, Special Purpose Licenses will ONLY be issued if applicant/owner is in compliance and remains in compliance with zoning requirements, humane animal keeping, business license requirements, and all other laws under Title 17 as applicable.

Anchorage Animal Care and Control may conduct an on-site inspection of the facility prior to issuing a new or renewed license. The purpose of the inspection is to determine whether or not the facility meets the standards for operating a facility. As specified in 17.10.050, an owner or operator of facility shall:

1. Provide adequate and appropriate shelter to ensure animal health, safety, and welfare.
2. Maintain the facility in a sanitary condition.
3. Provide veterinary care as necessary.
4. Provide for adequate and appropriate care and feeding of animals and ensure the availability of adequate food and fresh water.
5. Ensure no animals prohibited by federal, state and municipal laws are kept.
6. Ensure all animals are confined or in control on any premises where the animals are kept.
7. Keep only the number of animals in the facility or on premises which allows for appropriate space, safe keeping, humane care and sanitary environment consistent with the animal's breed, size, age, and species for all animals kept.
8. Comply with the provisions of this title, municipal regulations, and the terms, conditions, and limitations of any license issued under chapter 17.15.
9. Comply with the provisions of Title 21 (Land Use Planning) of this Code.
