## Anchorage Board Gamers

Anchorage Board Gamers is an Anchorage group for people interested in playing contemporary/modern board games, from people who are new and interested in the hobby to those that don't mind burning hours on an epic game of Twilight Imperium. As far as we know this is the largest and most established public group in Anchorage meeting up for this purpose and has been going on in some form since November 2011. We play a mix of the modern classics and hot things right off the gaming press.
