SUMMER READING CELEBRATION MAY 17-JULY 31, 2014

Loussac Library Summer Sci-Fi Double Feature Picture Shows

Saturday, July 5th

Z.J. Loussac Library
3600 Denali St.

12:00pm film

"Based on the true story of the ill-fated 13th Apollo mission bound for the moon. Astronauts Lovell, Haise and Swigert were scheduled to fly Apollo 14, but are moved up to 13. It's 1970, and America have already achieved their lunar landing goal, so there's little interest in this "routine" flight...until that is, things go very wrong, and prospects of a safe return fade." (1995, Rated PG)

2:30pm film

"Sometime in the distant past, someone or something nudged evolution by placing a monolith on Earth (presumably elsewhere throughout the universe as well). Evolution then enabled humankind to reach the moon's surface, where yet another monolith is found, one that signals the monolith placers that humankind has evolved that far." (1968, G)

Not all films shown by the Anchorage Public Library will be appropriate for children.
