

Sensory-Friendly Storytime

Join us for a specially designed storytime tailored to meet the needs of youth with sensory issues and their families, engaging children through movement, music, stories and play. While open to all children, sensory friendly storytimes are geared toward **children on the autism spectrum**, those with **sensory integration challenges**, or **children who have difficulty sitting**.

For children ages 2-8, and their families.

Saturday, August 12

Storytime: 1pm-1:30pm

Playtime: 1:30pm-2pm
