#### Stevens Puppets: Beauty & the Beast

A touching and humorous marionette play full of chuckles and drama. Artistic staging and clever effects accented with beautiful harp music bring this ever popular classic triumphantly to life.

This performance of the Stevens Puppets was made possible with funding by Rasmuson Foundation through the Harper Arts Touring Fund, and is administered, under contract, by the Alaska State Council on the Arts. This project was made possible in part by federal funds from the Institute of Museum and Library Services.
