**What can you get from this workshop?..**

- **Review the Anchorage School District's SEL skills for self-awareness, self-management, social awareness and social management.**
- **Explore what SEL looks, sounds, and feels like in their own organization or agency**
- **Examine the research connecting SEL to increased academic achievement and school attendance and decreased risk of school failure, classroom misbehavior, violence, and substance abuse**
- **Discover ways to build SEL skills in the children and young people their organization serves**
