Volunteer Hours Tracking Form

This form is to record the time you dedicated to your adopt-a-program. Please include flower pick ups, planting parties, clean up parties, and any other times you spent prunning and sprucing up your garden, park, trail, or patch. Your reported hours will provide us with useful information on the volunteer program for the Municipality's Volunteer Report. Thank you for your commitment to volunteerism!

Adopted Area:

Date	Activity	# Hours	# Volunteers	Total Vol Hours = hours x volunteers	Notes
Example 5/1/2014	Flower pick up	2	5	10	Flower pick up at greenhouse.
