2. Online at www.muni.org/Active
3. Event day registration forms must be completed and turned in between 11:30 & 12:45pm the day of competition

RULES:

- Entire boat must be made of corrugated cardboard, and held together with duct tape and/or white glue.
- No waxed or waterproofed cardboard.
- Any weight or thickness of corrugated cardboard is OK.
- Duct tape can be used only at seams and may not extend more than 3 inches beyond seams.
- Boat must be hand powered, paddles will be provided.
- Participants must tear down their boat to be recycled after their heat.
- Sorry, no participants younger than years of age.
- The Regatta is a good time race. Therefore, no matter how fast, slow, big, small, sensible or outrageous your boat is, the first rule is that the designers, builders, racers and supporters have fun.
- Life jackets required and will be provided by Parks & Recreation
