

March & April – Registration

Renew a plot beginning in March, register for a new plot in April

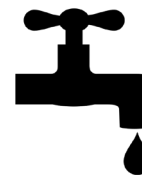

April – Access to the Gardens

Keys will be given to gardeners and they may begin working their plot

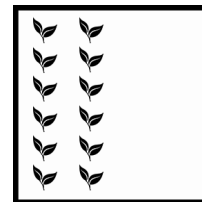

Mid-May – Water Turn On

Water will be turned on at all gardens, weather permitting

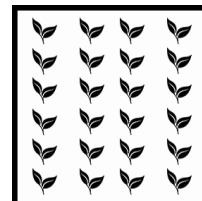

Mid-June – Begin Planting

Gardeners should have half of their plot planted

Third week of June – Full Plot Planted

Gardeners should have their full plot planted

Mid-September – Water Shut Off

Water will be turned off to all the gardens

October – Return Keys

All garden keys must be returned to Parks & Recreation by October
