CONTAINING 217.50 ACRES, MORE OR LESS

Provided that, if the Grantee or its successors in interest attempt to transfer title to or control over the lands to another without the prior approval in writing of the Commissioner of the Alaska Department of Natural Resources, or if the lands are devoted to a use other than public parks and recreational purposes or other compatible public purpose authorized by the Generalized Land Use Plan outlined in the Greater Anchorage Area Borough's Far North Bicentennial Park Master Development Plan of September 1974, title shall revert to the Grantor without any action required on its part. This condition shall be a covenant running with the land, binding upon the Grantee and its successors in interest for so long as any of them shall hold title to or retain use of the lands.

The grant of lands herein is subject to a reservation to the Grantor of a right-of-way 150 feet in width and parallel and adjacent to the southern boundary of the existing Tudor Road Right-of-Way (Parcel 16, State of Alaska, Department of Transportation Right-of-Way, Alaska Project No. F-044-1(5) Tudor Road) for future enlargement of Tudor Road.

The grant of lands herein is subject to a reservation to the Grantor of a perpetual easement for a greenbelt 100 feet in width and parallel and adjacent to the southern boundary of the aforementioned 150 foot right-of-way, and to a reservation of the Grantor's right to free unrestricted access to and use of the lands within the NE1/4NW1/4 of Section 35 as a snow dump until such time as the Municipality of Anchorage provides, as an alternative for use, a site acceptable to the State of Alaska, Department of Transportation and Public Facilities and the Municipality of Anchorage.

This patent is conditional, conditioned only upon approval by the Secretary of the Interior or his delegate of the conveyance of the tracts described herein, pursuant to procedures and requirements contained in the Recreation and Public Purposes Act (44 Stat. 741, 43 U.S.C., Section 869, as amended). If not approved by the Secretary or his delegate within 90 days following its execution and delivery, this patent shall thereupon be considered null and void and of no legal effect.

This patent is subject to the following additional conditions and exceptions:

Subject to all reservations and conditions of record contained in Federal Patent #50-80-0073 effective March 26, 1980, as recorded in the Anchorage Recording District on August 8, 1980, in Book 515, Pages 236-243.

Subject to valid existing trails, roads and easements.

Excepting all of the State's right, title and interest in and to all tide, submerged and shorelands and the lands underlying public and navigable waters, as defined in A.S. 38.05.365.(15), (17), (18), (22), and (23); and further excepting all existing rights-of-way for public highways, as defined in A.S. 19.10.010-.015, which were constructed and maintained by the State of Alaska on or prior to January 2, 1976.
