 - Reservations may be made a maximum of 2 years in advance and must be made a minimum of 20 business days in advance. Applications to seek a park use permit shall be made no less than 45 days prior to the requested event date.
 - A copy of photo identification (Alaska Driver's license or I.D. card) of the applicant and the responsible person will be required to complete the application process.
 - A site plan map of your event must be included with your application identifying the location of stages, vendor booths, portable toilets, registration area, etc.
 - For runs, walks and parades a site plan map outlining your route must be submitted along with your Special Event Permit application. If your event will generate additional traffic, or interrupt existing traffic on any city street, a traffic control plan outlining necessary street closures is required before a Special Event Permit will be issued.
 - Permit Applications may require review by the Municipality of Anchorage Permit Review Board for approval or denial. Need for review is based on size, scope and impact of event.
 - A certificate of insurance must be filed with Special Event Services ten (10) working days before the event. The named insured must match the name of the event organization on the application and permit. The Municipality of Anchorage requires all certificates of insurance to be submitted on a standard ACORD form or on the insurance company's letterhead. The Municipality of Anchorage must be listed as the certificate holder as well as an additional insured with respects to General Liability. An endorsement naming the "The Municipality of Anchorage, its officials, agents, employees and volunteers" must accompany the certificate of insurance. The endorsement page is often referred to as page CG 2011 11 85. If alcohol will be served, a liquor liability endorsement is also required.
 - All debris and trash must be removed from an event site immediately after the event. Failure to do so may require the Municipality to call upon Solid Waste Services. All expenses will be the responsibility of the event applicant. The applicant is required to provide recyclable receptacles at the event. When the applicant uses Municipal recyclable receptacles all rights of ownership are forfeited. All expenses will be the responsibility of the event applicant.
 - Depending on the duration of your event and the availability of public restrooms, you may need to rent portable chemical toilets to accommodate participants. We estimate at least one (1) chemical toilet for every 150 people. Please contact Rent-A-Can, 694-9202, for rental of portables.
- You must receive approval for your event before you promote market or advertise your event. Conditional approval will be made after the event organizer submits the application and it is initially screened. Acceptance of your Special Event Application by the Municipality is not a guarantee of the date, location or an automatic approval of your event.
- Only readily removable barricades may be used for street closures and lane of clearance is required for emergency vehicle access at all times. You may be required to provide advisory signs (placed a minimum of two weeks prior to the event) if your event impacts a major use roadway. Advisory signs are intended to provide advanced notice to the regular users of a roadway of the scheduled closure. Please refer to www.muni.org/traffic for specific requirements.

Rules and Regulations (con't)

- In some cases, the hiring of officers from the Anchorage Police Department, a professional security company, or a combination of both may be required by the Department of Parks and Recreation in order to obtain a Special Event Permit.  - A. The cost of providing, erecting, and moving barricades and/or signs;
 - B. The cost of providing and moving garbage or waste receptacles;
 - C. The cost of city personnel who are required by the city to work overtime hours
