or contact Traffic Engineering at: Phone: 343-8406 / Fax: 343-8488

**Effective 8:00AM, Monday May 6, 2019** all streets owned and or maintained by the Municipality of Anchorage will be subject to the following load restrictions unless posted with more restrictive limits:

- **Paved Streets - 100%, No Overloads**
- **Gravel, Chip Sealed, and R.A.P. Streets - 50%**

Weight restrictions for legal axle loads may apply to all vehicles over 10,000 GVW (Gross Vehicle Weight).

The duration of the restrictions are dependent upon the weather and ground temperature. The purpose of these restrictions is to reduce damage to roads during spring breakup. This damage can be caused by vehicles exceeding certain weight limitations.
