## Policy AG.17

### Exemption to Contractor's License Requirement for Municipal Projects

In accordance with Alaska Statute AS.08.18.161 (3), (11), (12), Title 8, Business and Professions, a contractor's license will not be required for maintenance, repair, alterations or interior remodel of any building owned or occupied by the Municipality of Anchorage, Anchorage School District, Anchorage Telephone Utility, Anchorage Water and Wastewater Utility.

All work must be performed by agency employees who are qualified and in the possession of the necessary fitness certification as issued by the Municipality of Anchorage and/or the State of Alaska.

The following conditions will apply:

1. All work must be permitted and accomplished in accordance with Title 23 AMC.
2. The scope of the work is maintenance, repair, or remodel and does not include additions or new building construction.
3. All work will be accomplished by qualified, licensed journeymen electrical, mechanical, or plumbing personnel.

**NOTE:** Nothing in this policy memorandum is intended to exempt the need for electrical or mechanical work being done under the supervision of electrical or mechanical administrators if required by Alaska Statutes.
