SUBJECT: Amendment No. 1, Utility Relocation Agreement with Chugach Electric Association (CEA) for the Tudor Road/Lake Otis Parkway Intersection Improvements, Project No. 04-35 (\$192,000)

The Tudor Road/Lake Otis Parkway Intersection Improvements involves design and construction of significant intersection improvements that, when completed, will provide:

- Two through-lanes in all directions.
- Dual left-turn lanes in all directions.
- Dual northbound right-turn lanes.
- Single right-turn lanes in southbound, eastbound and westbound directions.
- Enhanced pedestrian facilities and intersection crossings.
- Streetscape and landscape amenities.

Construction of these improvements will require relocation of existing CEA facilities.

CEA was initially authorized to expend up to \$10,000 to initially evaluate and identify its existing facilities that are in conflict with the proposed intersection improvements and to provide a design for the relocation of its conflicting facilities. CEA has completed its relocation design and has estimated that the relocation work will cost \$192,000. This work is within the project budget and will not exceed available funding.
