3 Gas Company (ENSTAR) for the Tudor Road/Lake Otis Parkway
4 Intersection Improvements, Project No. 04-35 (\$179,000).
5

6 The Tudor Road/Lake Otis Parkway Intersection Improvements involves design and
7 construction of significant intersection improvements that, when completed, will provide:

- 8 • Two through-lanes in all directions.
- 9 • Dual left-turn lanes in all directions.
- 10 • Dual northbound right-turn lanes.
- 11 • Single right-turn lanes in southbound, eastbound and westbound directions.
- 12 • Enhanced pedestrian facilities and intersection crossings.
- 13 • Streetscape and landscape amenities.

14 Construction of these improvements will require relocation of existing ENSTAR
15 facilities.

16 ENSTAR was initially authorized to expend up to \$10,000 to evaluate and identify its
17 existing facilities that are in conflict with the proposed intersection improvements and
18 to provide a design for the relocation of its conflicting facilities. ENSTAR has
19 completed its relocation design and has estimated that the relocation work will cost
20 \$179,000. This work is within the project budget and will not exceed available
21 funding.
